
OAAE

Ohio Association of Agricultural Educators

* The OAAE has improved its communication through weekly e mails that go out to member as well as non-members of the organization. An updated web site also provides needed information.

* The OAAE is working with key legislators to promote a piece of legislation that defines the ideal Ag Education Department for the state of Ohio. We have once again been successful in obtaining 5th Quarter funds.

*The OAAE held it's summer conference July 30th at Tolles Tech to prepare teachers for the start of the new year. Topics of interest will include State Department, National FFA and Ohio FFA Updates along with an awards program. This event was attended by over 130 teachers.

* Officers for the upcoming year include:

Gigi Neal: President
Marie Carity: President Elect
Javonne Mullins: Vice President
Michelle Brunson: Treasurer
Jamie Chenevey: Secretary
Eric Richer: Chaplain
Dave Stiles: Past President

* The OAAE will have delegates attending the upcoming NAAE/ACTE Convention.

* The OAAE has worked closely with the ODE to coordinate the COLT Conference. Students attended a workshop while teachers participating in a legislative workshop that featured speakers from the governors office talking about the Governors Education platform as well as a speaker grassroots advocacy and grant writing.
