SeeSaw Distance Learning Teaching Assignment

**Description**

Due: Friday, April 17, 2020 at 11:59 pm

Create a lesson in SeeSaw. Use these procedures:
1. Check the Learning Distance Assignment Link to find out which children you will be assigning a lesson.
2. Decide which standard you will use for your lesson and write your name in Standards for Distance Learning Document.
3. Open the SeeSaw website and create your lesson. Please see email for specific instruction.
4. Once you have submitted your lesson and assigned it, complete the form in this assignment.
